

Tain l'Hermitage, FRANCE,
23th September 2020,

Dear Mr. Masuda,

I undersigned, Jean Pivard, acting as CEO of the company FAYOL, French manufacturer of refractory terracotta since 1840, hereby attests the continuous sale of our refractory products in Terre Blanche to the company Masuda Brick Co. (as well as its partners).

This partnership started in 2009, and has been generating continuous orders for more than 11 years.

This partnership is still ongoing, and will continue as long as Masuda Brick Co. orders products from us.
